

Writing Assignment --- Flight Vocabulary (Chapter 11)

Instructions: You will have 40 minutes total (2 days, 20 minutes each day) in class to work on this assignment. I advise you to complete the written portion of the assignment in class so I can help you with grammar, vocabulary, and ideas. You will see below that this is a creative assignment but please remember that your **grade** will be based on your correct usage of the vocabulary and the writing of your phrases (ie: ser/estar, verb conjugations, direct object pronouns, etc.) Please select ONE of the options to complete for this writing assignment.

Due: Monday Feb 9, 2015 at midnight : you have almost ONE FULL WEEK!

*****If your assignment is on an actual piece of paper you can either take a CLEAR picture of it/ scan it OR you must turn it in during school that Monday. Late assignments will be marked down significantly and will not be able to be redone for full credit *****

Option 1) Write a paragraph using 10 vocabulary words from the airplane terms. You can write from the viewpoint of an airport employer or as a passenger on a flight. You need to write AT LEAST 8 sentences. You will be able to get extra points if you have ZERO grammatical errors in the paragraph ((use my help, other Spanish teachers help, friends, family, etc..peer editing is your friend)

Option 2) Write a song using 10 vocabulary words. You need to have at least 8 sentences/ stanzas. The song needs to be well thought out and show some musical rhythm or equivalent. You will be able to get extra credit if you record you “singing” the song and send it to me or if you “sing” it to me during A lunch or after school.

Option 3) Draw a comic strip of an airport scenario. You will need to put a dialogue or a narrator voice in the drawings but it does not have to be in a paragraph form. You will need to use 10 vocabulary terms as well. Extra credit will be given if the pictures are well drawn and are colored/shaded....details and creativity, por favorrr! You can use an online comic strip maker at toondoo.com if you would like.

Option 4) Write a step-by-step “wiki how” explanation of how to navigate in an airport. This will be written like a manual and the steps should be numbered. You will need to use 10 vocabulary terms. You will get extra credit if you draw or attach (your own) pictures of each step.

Option 5) If you have an idea of another option you would like to do please talk to me before and get my “OK” on the option before you start.

Oh... and have FUN with this! :)
